Hoorn, 24<sup>th</sup> of September 2012

To mayor J. Rihak, mr. and all the committee members,  
To all representatives of the city and military representatives

Dear friends,

On behalf of the whole delegation from Hoorn, who visited Příbram this weekend due to the 20<sup>th</sup> anniversary of our town twinning, I would thank you so much for the welcoming reception.

We had some wonderful days. The Hoorn team was a mixed team of people who were involved with the beginning of the contacts and representatives of the current committee. The initiators were excited to see the progress in Příbram and in some occasions meet their friends from early days. But the members of the current committee were proud to show them that their initiative work is still going strong together with the people from Příbram.

We were totally surprised by the beautiful gift for this jubileum and we make sure that it will get a memorable place where it could be seen by many Hoorn citizens.

We would like to thank the members of the fire brigade again for transporting us from and to the airport. And without excluding other people the delegation would most heartily thank mrs Stanislava Walenkova for her continuing help and adequate reactions on our questions.

During the anniversary dinner was agreed that I, as chairman, come to Příbram in November to discuss plans for 2013/2014 with representastives of Příbram and see which contacts have the highest priority for both cities.

For now I would like to end with the thought that the last few days have proven our contacts are intens and worthwhile to continue.

With best regards,

Rob van Loon,  
Chairman
