

Stichting Stedenband Hoorn-Příbram

Hoorn, 11th of June 2012

To mayor J. Rihak and all the committee members,
To all representatives of the city and cultural organisations

Dear friends,

On behalf of the whole delegation from Hoorn, who visited Příbram this weekend, I would thank you so much for the welcoming reception.

They had a wonderful time and were overwhelmed with the attention they have had from everybody.

The exhibition of the two painters Titi Smit and Randi Vettewinkel was surprising and the vernissage was a success. Their thanks goes to Mrs Hana Rocknakova in particular.

The meeting with representatives of the city and cultural organisations was interesting. It was a pity that we did not have more time to have an interactive conversation. But perhaps that is something for the near future. Mr Ger Laning would find it interesting to receive his Příbram's colleague once to talk about the way of working.

The visits to the basic schools of art and music and the mining museum were warm due to meeting known friends and instructive as well. Especially the mine was interesting due to the enthusiastic and instructive stories of the English speaking guide.

We would also like to thank the members of the fire brigade for bringing the delegation everywhere. And without excluding other people the delegation would most heartily thank Mr Jakub Svoboda and Mrs Vera Hola for their continuing attention and help.

We will continue with the arrangements due to our visit in September and may we say that we look forward to meet each other again.

With best regards,

Rob van Loon,
Chairman
